MOM'S KITCHEN

FROM MOM WITH LOVE

Dear my friends,

My Mom's cooking recipe is not traditional. It is collected from daily meals that she cooked for my family. She always said to me that: " Don't forget to put Love on your food. This is a very important ingredient." I hope you can taste Love in each dish and you can find the warm here as your home.

Thank you and enjoy your meal

BEER

IT'S BEER O'CLOCK!

Kirin Ichiban uses 100% malted barley for its grain bill. This differentiates it from rivals Sapporo and Asahi Super Dry which also use rice and corn
