OMG
RESTAURANT

Dear my friends,

My cooking recipe is not traditional. It is collected from daily meals that my parents cooked for me. My Mom said to me that:

“ Don’t forget to put Love on your food. This is a very important ingredient.” I hope you can taste my Love in each dish and you can find the warm here as your home.

Thank you and enjoy your meal...

Healthy Korean hot tea with yuzu lemon, honey, orange

BEER

18+ ONLY

Brewed to the Japanese recipe to deliver its refreshing, crisp, 'Super Dry' taste, **Asahi Super Dry** is a beer that complements all occasions. Its distinctive taste is known in Japan as Karakuchi (dry), a word adopted by sake brewing techniques

0,32l 79,-

Kirin Ichiban uses 100% malted barley for its grain bill. This differentiates it from rivals Sapporo and Asahi Super Dry which also use rice and corn

0,32l 79,-

WINE

Sake is a clean-tasting, slightly sweet drink. Its scent is slightly fruity and nutty, like a milder version of wine's aroma. It has been produced in Japan for over 2500 years and is gaining international popularity because of its quality

Gangi Sake Wine
